**PHOENIX – September 24, 2016**

– [Pointe Hilton Tapatio Cliffs](#)

[Resort](#) regains its luster following a highly anticipated \$8.5 million renovation.

The tradition of delivering exceptional service and one of Phoenix's most unique resort experiences continues with a

comprehensive redesign of the resort's expansive, two-room Standard Suites.

“We are very excited to reimagine our mountainside and cliff-top all-suite accommodations. Our iconic resort has been through many transformations over the past three decades, each one more exciting than the last,” said Ron Simon, general manager, Pointe Hilton Tapatio Cliffs Resort. “We have proudly served guests since 1982 and look forward to many generations to follow.”

The comprehensive remaster of 544 of the resort's 584 all-suite guest accommodations provides an elegant retreat experience inspired by the resort's stunning views and tying in

architectural elements with a fresh view of texture, color, scale and a subtle Spanish-Mediterranean influence.

Guests will be treated to a relaxing palate of subtle hues and desert-inspired neutrals accented by rich woods and splashes of bright, Mediterranean colors.

Set in the granite bluffs of the Phoenix Mountain Reserve, the Pointe Hilton Tapatio Cliffs Resort creates a truly extraordinary escape with a vast range of amenities, including two distinctive restaurants,

Different Pointe of View and Pointe In Tyme, and the full service Tocaloma Spa and Salon.

Pointe Hilton Tapatio Cliffs is distinguished by its myriad of hidden treasures and found spaces. The resort undulates across a dramatic desert mountain topography providing vignettes of surprise in the form of waterfalls, scenic overlooks, caves, cliff walls, private hillside pools and the charming Hidden Valley.
